of Shri Siddheshwar Mahavidyalaya**

Ganeshotsav is celebrated not only in Maharashtra but all over the country and the world with great enthusiasm and fanfare. During this festival, everyone worships Lord Ganesha with great enthusiasm and bid farewell. On the second day after Anant Chaturdashi, water bodies, lakes and rivers are found to be heavily polluted, resulting in increased water pollution and environmental damage. Considering this environmental issue students of Shri Siddheshwar Mahavidyalaya decided to clean the river Sindhvana, which supplies water to Majalgaon city, and after the immersion, they collected the garbage accumulated in the riverbed and cleaned the river. All volunteers and program officials of NSS participated in this garbage collection campaign conducted under the guidance of Principal Suhas Morale. This initiative was welcomed from the society.

Swatantryaveer Sawarkar's Death Anniversary

Swatantryaveer Sawarkar is the inspiration for revolutionaries - Dr. Mukund Devarshi

The inspiration of revolutionaries is Swatantryaveer Sawarkar, stated Principal Dr. Mukund Devarshi. He was speaking at the Swatantryaveer Savarkar's Death Anniversary. Body Donation, Eye Donation Campaign was organized on this occasion by the National Service Scheme department of Shri Siddheshwar Mahavidyalaya Majalgaon. Speaking further, he said that Swatantryaveer Sawarkar was a multi-dimensional personality. We can tell about various aspects of his personality. In which we can study the revolutionary Sawarkar, the journalist Sawarkar, the literary Sawarkar, the announcer of the Hindu Mahasabha i.e. Savarkar and many such aspects. This was a personality with an excellent style of speech and profound thinking power. In recent times, people who love him are studying every aspect of his personality. It would not be an exaggeration to say that his thoughts are being propagated and spread in the society. In fact, these great men, who were imbibed with nationalist ideas, had dreamed of the upliftment of mother India, but the misfortune of recent times is that instead of taking inspiration from this great character, more controversies are created and there is an attempt to hide the importance of his real work and therefore intelligent thinkers should propagate and spread his positive aspects in the society.

The impression is created in the society that Sawarkar committed suicide. But it was not suicide, rather he had decided on his own in such a way

that now the work that I have decided is over. Therefore, I am going to sacrifice my body for the land of India and while deciding this, he had told his companions. After a certain period of time, I will give up food. After that, I will stop drinking milk. After that, he will also stop drinking water. In the same way, he slowly placed his body at the feet of the motherland.

That day is the Day of Self-Sacrifice. Therefore, on this occasion, a campaign for eye donation and body donation is being implemented by the state government and the central government. Every conscious citizen should resolve to donate eyes and body as there is a need and in that way, let his body be used by someone after death. The government is implementing this awareness campaign across the country through the National Service Scheme.

On this occasion, the oath for eye donation and body donation was administered by Vice Principal Dr. Yuvraj Mulye. The program was coordinated and voted by Program Officer Dr. Sunil Patil. Vice Principal Dr. Gajanan Honna, Principal of Uttam Chand Bagdia College, Risod, District Washim, Dr. Vinod Kulkarni, Professor Dr. Chaudhary of Sawarkar College and students were present at this program.

Dr. Babasaheb Ambedkar is a warrior of infinite aspects - Prof. Gautam Gaikwad

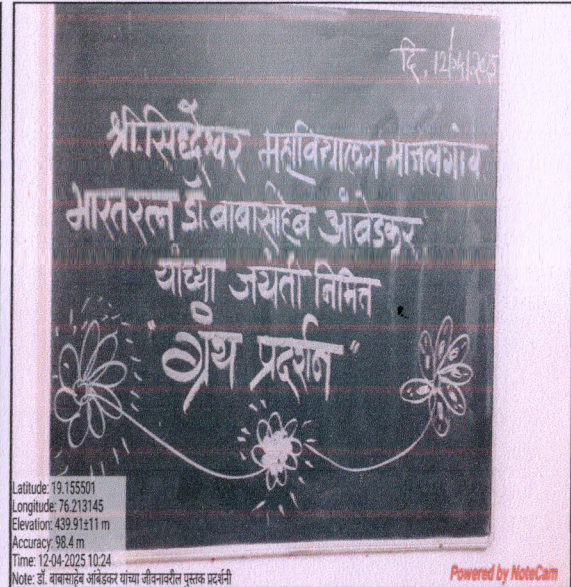

Dr. Babasaheb Ambedkar is a warrior of infinite aspects, asserted Prof. Gautam Gaikwad. He was speaking at a lecture organized on the occasion of Dr. Babasaheb Ambedkar Birth Anniversary at Shri Siddheshwar College Majalgaon's National Service Scheme Department. The program was chaired by Ad. Vishwas Joshi. Central executive members Prakash Dugad, Amarnath Khurpe, Chairman of Kholeshwar College Development Committee Ram Kulkarni, and Principal of the college Dr. Mukund Devarshi were present on the stage.

Speaking further, Prof. Gautam Gaikwad said that Dr. Babasaheb Ambedkar is considered the liberator of the oppressed. If anyone has truly worked for the Dalit, exploited, suffering and marginalized people, it is Babasaheb Ambedkar. Swami Vivekananda also said that after Gautam Buddha, Dr. Babasaheb Ambedkar was the only great man. He took decisions that were beneficial to the society. He also made all the provisions for the benefit of the society. Since the society can remain in order only if the law and order is good, he made very strict provisions in the Constitution. He provided 40 fundamental rights and privileges to the Indian people. The Hindu Code Bill can be called a gift to the Indian people. He believed that everyone should have the right to the resources and income of this country. He was trying to create a new system through the Constitution. Everything that is beneficial to the people should be used for the benefit of the country. He did all this work within the framework of Indian philosophy. Even today, his knowledge is known all over the world because of his work. He tried 32 different cases of farmers in court and got them justice. He wanted that if a project like river linking was done in our country, the farmers would be truly prosperous.

On this occasion, Central Executive Member Amarnath Khurpe also expressed his thoughts. He said that Dr. Babasaheb Ambedkar was a multi-dimensional personality. His knowledge is a source of energy for our students. All students should read and understand his life story and reflect on the future society. He elaborated on various aspects of his nature in his thoughts.

In his presidential closing speech, Ad. Vishwas Joshi said that although it is true that we celebrate the birth anniversary of Dr. Babasaheb Ambedkar every year, what we learn from such programs is equally important. As students, while we are living our student life, we should take the right lessons from such various lectures and shape our lives. Dr. Babasaheb Ambedkar was a great man of positive energy. Even though he did not have financial advantages in his life, he received adversity in his life as a blessing. The introduction of this program was given by Dr. Vikas Borgaonkar, Program Officer, and National Service Scheme. Dr. Dnyaneshwar Gavte anchored the program while Prof. Laxmikant Sonnar proposed the vote of thanks. Vice Principal Dr. Gajanan Honna, Dr. Yuvraj Mulye, Prof. Ankush Sable, Supervisor Prof. Parmeshwar Khetri, Office Superintendent Mr. Vijay Kulkarni as well as all the professors and volunteers of the college were present at the program.
