## Report

**One Day Workshop on  
“Innovations and Entrepreneurship in Physics (IEP-2024-25)”  
Date: Dt.24/10/2024**

Venue: Bhratmata Kaksh

Time: 11:00 AM

### Objectives:

- To provide them with deeper understanding of start-ups and their complexities
- To educate students about how innovation helps entrepreneurs to fight and sustain competition.
- To highlight importance of Innovation and Entrepreneurship.

The workshop started with felicitation ceremony when Dr. S. R. Mitkari, HOD, presented to Dr. Sanjay Vyawahare as a flower bucket for welcoming gesture.

Dr. V. P. Deshmukh, given the Introductory Speech for this Workshop. In his introductory speech he explained the ideology of this workshop.

Dr. Dr. Sanjay Vyawahare talked about how Innovation is important in entrepreneurship in Physics. According to him in the highly competitive world, innovative ideas are what will separate you from the rest. In order to create an outstanding product, strong brand and to build customer network, one need to innovate. He explained to the students that Innovation doesn't always mean to create something new, innovators often take something that already exists, improve it, change it, make it better and make it the best for their customers. Innovative ideas are what will make a startup competitive.

He also focused on how innovation is a facilitate or of entrepreneurship and a way of empowering people to take charge of their lives and economic prosperity in Physics.

At the same time, resource person also interacted with students highlighting how entrepreneurship is the answer to innovation both at individual business-level.

Lastly Ku. Rupali Nanware put vote of thanks. For this workshop students of Physics were present.

### Learning Outcome:

The workshop highlighted the importance of innovation in entrepreneurship its value in Physics for the longevity of a business. The workshop also emphasized on the opportunity to innovate to make the lives more comfortable and the solutions that can be evolved to make it better, easier and more useful. Entrepreneurs must keep themselves abreast with the current trends and demands. Manufacturers are constantly innovating to produce more without sacrificing the quality.

## Report

One Day Workshop on

**“Preparation of Research Project Writing Skill” (PRPWS-2025) on Dt. 03/04/2025**

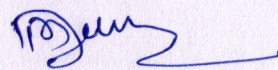

**Research Project Writing Skills Workshop Completed.**

A Research Project Writing Skills Workshop was organized by the Department of Economics, Shri Siddheshwar College on April 4, 2025.

The chief guest for this workshop was Professor Dr. N.K. Mule, Head of the Department of Economics and Vice-Principal, Sundarrao Solanke College, Majalgaon. The chairman was Professor Principal of the college, Dr. Mukund Devarshi. This workshop was organized by Professor Dr. Mahesh Deshmukh and Manda Maske on behalf of the Department of Economics. A large number of students were present for this workshop.

New Educational Policy Project writing work has been started in many subjects. In line with this, this workshop was deliberately organized. While guiding in this workshop, Dr. N. K. Mule guided on how to write a project. To prepare any project, the question has to be determined first. After that, primary and secondary information has to be collected in accordance with that question. The collected information has to be classified and analyzed. After that, it has to be arranged properly and conclusions and recommendations have to be presented in accordance with the topic of the project and finally a reference list has to be given. In this way, the project can be prepared, explained by Mule Sir through guidance.

In the presidential conclusion, Principal Dr. Devarshi Sir explained in his guidance that local problems can be solved to some extent through research projects. From this point of view, students of every subject in social science should select projects. He also informed about the funds available for the project from various institutions. He gave guidance on how to make your project excellent by giving many examples from history. The program was coordinated by Ashok Shingare, Swagat Gayatri Zodge, Proposer Manda Maske and Aniket Kolhe expressed the vote of thanks. Why Computer Technical Support Professor Sanjay Chavan helped to make the program successful. Research Project Writing Skills Workshop Completed. A total of 56 students were present for this program.

Report  
One Day Workshop on  
“Research Methodologies in Hindi”  
(RMH-2024) on Date: 19/10/2024

Venue: Hall No G-21

Time: 11:00 am

One Day Workshop on “Research Methodologies in Hindi” (RMH-2024) was organized by Department of Hindi along with Dept. of English and Marathi on Dt. 19 October 2024.

The objectives of this workshop were

- ❖ To develop knowledge on the fundamentals of research
- ❖ To build knowledge on research design, application & data analysis
- ❖ To develop skills for synopsis/thesis development & academic writing

The workshop was conducted free of cost for the students.

The workshop was inaugurated by Dr.B.D.Munde was the resource person and Dr.Gajanan Honna, Principal was the President for this workshop. Mr.Yuvraj Mulye was the anchor of this workshop.

Dr.Ashok Marde gave the inaugural speech. In his speech he advised students to take benefit of this workshop. He also told the need of this topic to all the students taking UG education. He also explained that Research methodology is a way of explaining how a researcher intends to carry out their research. It's a logical, systematic plan to resolve a research problem. A methodology details a researcher's approach to the research to ensure reliable, valid results that address their aims and objectives. It encompasses what data they're going to collect and where from, as well as how it's being collected and analyzed.

Resource Person Dr.B.D.Munde told what research process is. Importance of research methodology to UG students. He told different components and steps of research methodology. He explained this topic by explaining the different suitable examples. He also told that the research method is defined as the procedure or technique applied by the researcher to undertake research. On the other hand, research methodology is a system of methods, used scientifically for solving the research problem.

In Presidential address Principal Dr.Gajanan Honna told the students should select a qualitative research methodology because: It uses an inductive and subjective approach. Furthermore, it adopts an open and flexible approach. Qualitative research builds theories.

Lastly QA session was taken. In this different Questions were asked by participated students. Miss Shruti Gilbile put vote of thanks for this workshop.
