Report

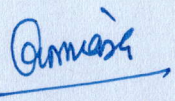

One Day Workshop on Innovations and Entrepreneurship in Public Administration (IESPA-2018)

On behalf of the Department of Pub-Admn, organized a one-day workshop on Invention and Entrepreneurship, this workshop was inaugurated by Dr. Kakashaheb Pokale Board of Study of Dr. Babasaheb Ambedkar Marathwada University Aurangabad. The college development committee president Shri Nandkishore Bhutada was president of this workshop. Also on this occasion Head of Department of Public Administration, Dr. Sunil H Patil Principal Vinayak Pundalik Deshmukh was present.

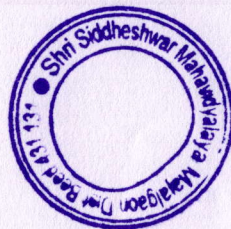

Dr. Kakashaheb Pokale, in his speech, discussed about Invention and entrepreneurship. Invention is very important in any industry. Without Invention, the industry cannot survive. Invention is related to research. Without research, there will be no new discoveries. Invention and entrepreneurship are closely related. Any goods or services become outdated after a certain period of time after its creation. Consumers constantly need new products. This requires Invention. Dr. Pokale also said that on one hand the population is increasing so the government is able to provide jobs. Therefore, students should develop their own ideas and create various industries. On the basis of industry, we should become self-sufficient and provide employment to others should become self-sufficient and provide employment to others. In the conclusion, President Nandkishore Bhutada while presenting his thoughts said that the students should look at the identity of their region and turn to the production of goods so that no one will have to leave their town. Also the problem of urbanization will not arise. Dr. S. H. Patil Vote of thanks the program Head of Department Pub-Admn.

Dr. S. H. Patil.

Organized, Regional Level Workshop on

QUALITY RESEARCH APPROACH IN NAAC'

13 December 2019

Workshop Report

Departmental level workshop was organized on 13th December 2019 on Quality research approach in NAAC through the college under research department. The purpose of organizing this workshop is to awaken research attitude among students and professors, to create interest in research and to use that research for the society along with academic work. This workshop was organized to achieve the aim of making the research done by the professors society-oriented. Hon'ble Shri Abhayji Kokad, President of the College's Development Committee presided over the inauguration of this workshop. Hon'ble Shri Prakashji Duggad President of Local Management Board as the inaugural function and Hon'ble Principal Dr. as the chief guest. Sanjay Shirodkar was Principal Savarkar College Beed. Dr. SB Ingole, Head of the Department, introduced the program and Professor Devidas Khodewad gave the vote of thanks.

The principal of the college was Dr. Dhalchandra Karad Sir as the President in the first session. As chief guest and lecturer Dr. Principal Sanjay Shirodkar, Sir Savarkar College, gave his extensive guidance on Quality Research Approach in NAAC. What should be the methods of research? If such research is done, it will be very appropriate from the point of view of the net. It should be linked directly to the society with the various parts of the research and the coordination it has while studying society. Such interpretation Dr. Sanjay Shirodkar. as chief guest in the second session. It was Dr. Vinayak Deshmukh. Research Department Head Dr. Sitaram Ingole presided over the program. In this session Dr. Vinayak Deshmukh expressed his thoughts about innovative research. There should be innovation in research and basic research and applied research so that the quality of that research can be of high quality.

College committee president Hon'ble Mr. Abhayji Kokad was the chief guest in the concluding session. He explained the need for research through his guidance. Hon'ble Mr. Sumantrao Kulkarni, Secretary of College Development Committee, presided over the program. He expressed his opinion that the workshop on research topic was conducted very well in the conclusion. Introduction of this program By Dr. Vinayak Deshmukh. Prof. Devidas Khodewad gave the vote of thanks. Total 74 participating students and professors were present for the said workshop.

Report

One Day Workshop on Innovations and Entrepreneurship in Physics (IEP-2022) -Date: 03/01/2022

Objectives:

- To provide them with deeper understanding of start- ups and their complexities
- To educate students about how innovation helps entrepreneurs to fight and sustain competition.
- To highlight importance of Innovation and Entrepreneurship.

The workshop started with felicitation ceremony when Dr. S. R. Mitkari, HOD, presented to Prof. S. K. Vyawahare, Dept. of Physics, Sundarrao Solanke Mahavidyalaya, Majalgaon as a cloth napkin buckets for welcoming gesture.

Dr. M. P. Deshmukh, Principal given the Introductory Speech for this Workshop. In his introductory speech he explained the ideology of this workshop.

Prof. S. K. Vyawahare, Dept. of Physics, Sundarrao Solanke Mahavidyalaya, Majalgaon talked about how Innovation is important in entrepreneurship in Physics. According to him in the highly competitive world, innovative ideas are what will separate you from the rest. In order to create an outstanding product, strong brand and to build customer network, one need to innovate. He explained to the students that Innovation doesn't always mean to create something new, innovators often take something that already exists, improve it, change it, make it better and make it the best for their customers. Innovative ideas are what will make a startup competitive.

He also focused on how innovation is a facilitate or of entrepreneurship and a way of empowering people to take charge of their lives and economic prosperity in Physics.

At the same time, Prof. S. K. Vyawahare also interacted with students highlighting how entrepreneurship is the answer to innovation both at individual business-level.

Lastly Dr. V. P. Deshmukh put vote of thanks. For this workshop students of Physics were present.

Learning Outcome:

The workshop highlighted the importance of innovation in entrepreneurship its value in Physics for the longevity of a business. The workshop also emphasized on the opportunity to innovate to make the lives more comfortable and the solutions that can be evolved to make it better, easier and more useful. Entrepreneurs must keep themselves abreast with the current trends and demands. Manufacturers are constantly innovating to produce more without sacrificing the quality.
