Report

Department of Economics Organized, One Day Workshop on <u>Project Writing Skill</u> (PWS-2017) -Date: 27/07/2017

On 21/07/2007, 10.30 AM, Department of Economics held a workshop on writing skills The main speaker of this workshop was Dr Dhavale N.R.Sir Department of Commerce, Sundarrao Solanke College Majalgaon. Principal and Head of Department Dr. Mahesh Prabhakar Deshmukh was present in the chair. Dr. Dhavale sir guided the students on how to do project writing. In order to prepare any project, the question has to be determined in advance, according to which the objectives have to be formulated, the hypothesis has to be collected and the information collected has to be processed. Then the conclusions are drawn. There should be a certain order in doing all this. Report writing plays a very important role in research work. Dr. Dhole sir explained the objectives of report writing in his guidance. He also guided what kind of care should be taken while writing the report and also explained the importance of report writing. Dr. Mahesh Prabhakar Deshmukh concluded the workshop. At the conclusion, Dr. Deshmukh sir explained the importance of the report in the research work. Writing a report of any work concludes that work. He said that while writing the report one should consider the readership of the report. Also mentioned the diagram of the report, this workshop will be used by students in report writing. This workshop will develop report writing skills among the students. Aage Shakuntala Rambhau gave vote of thanks for this program.

Creating an Effective Message Workshop Report

<u>Aim & Objective of the activity:</u> The workshop aimed to help students understand the importance of creating a clear and concise message that effectively communicates their thoughts and ideas.

Date of the Activity: 17/08/2017

Organizing Unit/Department: Department of English

Program Coordinator: Dr. K. K. Ladda

Students Participated: 56

Report of the Activity

Recently, a workshop on creating an effective message was conducted by **Department of** English, Shri Siddheshwar Mahavidyalaya, Majalgaon Dist. Beed for the students.

The workshop started with an introduction to the basics of effective communication and how it can help individuals in their personal and professional lives. The students were then given various exercises to practice creating messages that are simple, clear, and impactful.

The workshop also covered the importance of considering the audience while crafting a message.

In create an effective message, follow these steps:

1. Identify your audience: Determine who you are trying to communicate with and tailor your message accordingly.

2. Define your objective: Decide on the purpose of your message, whether it is to inform, persuade, or entertain.

3. Choose the right medium: Select the appropriate channel to deliver your message, such as email, text message, or social media.

4. Keep it concise: Use clear and concise language to convey your message effectively, etc.

Active Learning Workshop Report

Aim & Objective of the activity:

1. To provide participants with an understanding of active learning and its benefits.

2. To introduce participants to different active learning techniques and strategies.

3. To encourage participants to apply active learning techniques in their teaching or training practices.

4. To share best practices and success stories related to active learning.

5. To provide opportunities for participants to practice and experience active learning techniques.

6. To create a collaborative learning environment where participants can learn from each other.

Date of the Activity: Dt. 19/08/2017

Organizing Unit/Department: Department of Hindi

Collaborating Agency:

Program Coordinator: Dr. Y. R. Mulye

Students Participated: 56

Report of the Activity

On Dt 19/08/2017, Department of Hindi conducted a workshop on active learning. The workshop was attended by **68** participants, including faculty members, teaching assistants, and graduate students.

The workshop was led by Mr. K. V. Mitkari, who began by explaining the concept of active learning and its benefits in enhancing student engagement and learning outcomes. The facilitator then demonstrated various active learning strategies, such as group discussions, problem-solving activities, and peer teaching. Participants are encouraged to actively engage in the learning process, rather than passively listening to lectures or presentations. The workshop may also incorporate technology-based tools, such as online quizzes or games, to enhance the learning experience. The goal of an active learning workshop is to promote experiential learning and active participation of the participants.

An active learning workshop session that emphasized hands-on, experiential learning. The workshop typically involved a variety of interactive activities, such as group discussions, role-playing exercises, case studies, simulations, and problem-solving tasks.
