

Design Thinking and Innovation Workshop Report

Aim & Objective of the activity: The aim of the workshop was to introduce the participants to the design thinking process and to provide hands-on experience in using this process to solve real-world problems.

Date of the Activity: 09/01/2019

Organizing Unit/Department: Department of Commerce

Program Coordinator: Shri Ashok Hoke

Students Participated: 78

Report of the Activity

The workshop on design thinking and innovation organized by the college was an enlightening experience for all the participants. The workshop was attended by students, faculty members, and industry professionals.

The workshop started with an introduction to design thinking and its importance in today's world. The workshop was a great success, with participants gaining valuable insights into the design thinking process. The workshop was led by experts in the field of design thinking and innovation, who shared their knowledge and experience with the participants. The workshop was a great opportunity for participants to learn about the latest trends and best practices in design thinking for higher education.

Overall, the workshop was a great success and provided participants with valuable insights into the world of design thinking and innovation.
