Report of "Gender Equity"

Academic Year 2021 - 2022

Date: 07 /01/2022

• **Title of Program: "Gender Equity"**

Time: 12:00 A.M.

Venu: A.V.Room

President: Prakashji Duugad

Recourse Person: Dr.T.P.Sondge

Today we gather with a shared vision: to foster gender equity in every facet of our society. Gender equity isn't merely an aspiration; it's a fundamental human right. We must dismantle the entrenched structures of inequality that persist in our communities, workplaces, and institutions. It's time to challenge the status quo and forge pathways of opportunity for all genders. Empowering women and marginalized genders isn't just morally imperative; it's essential for sustainable development and social progress. Let us confront the deep-rooted biases and stereotypes that perpetuate gender disparities.

Education and awareness are our most potent tools in this endeavor, igniting conversations and catalyzing change. We must cultivate environments where every individual feels empowered to contribute their unique talents and perspectives. Gender equity is not a zero-sum game; it's about creating a world where everyone can thrive. Together, we must amplify marginalized voices and advocate for policies that promote equality and inclusivity. Let us stand in solidarity, recognizing that true progress requires the active participation of every member of society. The time for action is now, and our commitment to gender equity must be unwavering.
