Swachh Bharat Abhiyan on the Birth Anniversary of Sant Gadge Baba

Date: 23/02/2018

Department: NSS

On the auspicious occasion of the birth anniversary of Sant Gadge Baba, Sri Siddheshwar Mahavidyalaya, Majalgaon, organized a dedicated Swachh Bharat Abhiyan initiative within the college premises. This event was marked by active participation from both students and teachers, reflecting the institution's commitment to honoring the legacy of Sant Gadge Baba and promoting cleanliness and hygiene.

The program commenced with a brief ceremony to pay homage to Sant Gadge Baba, a revered saint and social reformer known for his advocacy of cleanliness and sanitation. Participants gathered to reflect on his teachings and principles, which continue to inspire efforts towards building a cleaner and healthier society.

Following the tribute to Sant Gadge Baba, students and teachers joined hands in conducting cleanliness drive aimed at enhancing cleanliness and hygiene within the college campus.

Teams of students and teachers were formed to undertake a comprehensive cleaning campaign across the college premises. Armed with brooms, dustbins, and gloves, participants meticulously cleaned classrooms, corridors, playgrounds, and other areas, removing litter and debris to restore the campus to its pristine state.

Impact: The collective enthusiasm and dedication demonstrated by students and teachers during the Swachh Bharat Abhiyan initiative on Sant Gadge Baba's birth anniversary underscored the institution's reverence for his teachings and principles. The event served as a fitting tribute to Sant Gadge Baba's legacy and reaffirmed the commitment of Sri Siddheshwar Mahavidyalaya, Majalgaon, towards fostering a culture of cleanliness and hygiene.

Conclusion: In conclusion, the Swachh Bharat Abhiyan initiative on the birth anniversary of Sant Gadge Baba not only honored his memory but also served as a catalyst for driving positive change within the college community, instilling values of social responsibility and environmental stewardship among students and teachers.

Preparation of bird feeders by students

Date: 25/01/2019

Department: Science faculty

Introduction: On the 25th of January 2019, students of Sri Siddheshwar Mahavidyalaya, Majalgaon engaged in a collaborative effort to prepare bird feeders as part of an environmental awareness initiative. The project aimed to provide sustenance to local avian fauna while fostering a sense of responsibility towards wildlife conservation among the student body.

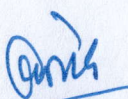

Preparation Process: The preparation of bird feeders commenced in Botany department at 1 pm. Under the guidance of faculty members specializing in environmental studies, the students organized themselves into groups and began the construction process.

Materials such as recycled plastic bottles, wooden sticks, strings, and bird seeds were provided, emphasizing the importance of using eco-friendly and readily available resources. The students displayed commendable creativity and teamwork as they transformed these materials into functional bird feeders.

Conclusion: The preparation of bird feeders by the students of Sri Siddheshwar Mahavidyalaya, Majalgaon on the 25th of January 2019 exemplified the power of collective action in fostering environmental awareness and biodiversity conservation. Through their innovative endeavors, the students not only provided vital support to local bird populations but also inspired others to take proactive steps towards creating a more harmonious relationship with nature.

Tree Plantation Program at Sri Siddheshwar Mahavidyalaya, Majalgaon

Date: 05/06/2021

Department: NSS

Introduction: Sri Siddheshwar Mahavidyalaya, Majalgaon, organized a tree plantation program on 5th June 2021, commemorating World Environment Day. The event witnessed active participation from students, teachers, and members of the college committee. The aim was to contribute to environmental conservation and raise awareness about the importance of afforestation in combating climate change.

Objective: The primary objective of the tree plantation program was to enhance the green cover within the college premises and promote environmental sustainability. Additionally, the event aimed to educate participants about the crucial role of trees in maintaining ecological balance and mitigating the adverse effects of global warming.

Activities:

Selection of Plantation Sites: Prior to the event, suitable locations within the college campus were identified for plantation, considering factors such as soil quality, sunlight exposure, and available space.

Procurement of Saplings: A variety of indigenous saplings were procured from local nurseries, ensuring compatibility with the region's climate and ecosystem.

Inaugural Ceremony: The program commenced with an inaugural ceremony, graced by the presence of CDC president Sri Abhay Kokad, LMC president Sri Prakash Dugad and faculty members. A brief introduction highlighting the significance of the event was presented.

Tree Plantation: Students, teachers, and members of the college committee actively participated in planting saplings at designated sites across the campus. Each participant contributed to the plantation drive, symbolizing their commitment to environmental conservation.

Impact: The tree plantation program generated a positive impact on both the college community and the environment. It instilled a sense of environmental consciousness among participants, motivating them to actively contribute to green initiatives. The newly planted saplings are expected to enrich the biodiversity of the campus, improve air quality, and serve as a habitat for various fauna species.

Conclusion: The tree plantation program at Sri Siddheshwar Mahavidyalaya, Majalgaon, served as a significant step towards fostering environmental sustainability and ecological resilience. It exemplified the collective efforts of students, teachers, and members of the college committee in

addressing contemporary environmental challenges. The event concluded with a sense of fulfillment and renewed commitment to continue promoting green practices and conservation efforts.
