## Report

### Tree plantation at Mogra Village

**Date:** 27/07/2017

**Department:** NSS

**Introduction:** On 25th July 2017, Sri Siddheshwar Mahavidyalaya, Majalgaon organized a tree plantation event in collaboration with the local community of Mogra Village. The event was aimed at fostering environmental consciousness and engaging students and teachers in a meaningful activity that contributes positively to the ecosystem.

**Event Details:** The event commenced at 11:00 AM in the presence of LMC President Sri Prakash Dugad with enthusiastic students and dedicated teachers. The event began with a brief introduction to the significance of tree plantation in mitigating environmental challenges such as climate change, soil erosion, and air pollution.

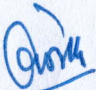

**Plantation Process:** All participants were divided into groups, each assigned with saplings of various indigenous tree species suitable for the local climate. Under the guidance of experienced environmentalists and faculty members, students and teachers actively engaged in the plantation process. The process was not merely about digging holes and planting trees, but it also involved educating participants about proper tree care and maintenance.

**Community Involvement:** The event received overwhelming support from the residents of Mogra Village, who actively participated in the event. Their involvement not only added to the numbers but also highlighted the sense of community responsibility towards environmental conservation.

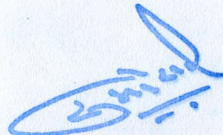

**Conclusion:** The tree plantation event at Mogra Village served as a successful endeavor towards promoting environmental awareness and fostering a sense of responsibility towards nature conservation among the youth. The collective efforts of students, teachers, college committee members, and the local community resulted in the establishment of a green corridor that will not only benefit the present generation but also serve as a legacy for the generations to come.

**Number of students participated:** 25

**Number of teachers participated:** 07

### Cleanliness Drive as part of Swachh Bharat Abhiyan

**Date:** 25/12/2017

**Department:** NSS

On December 25, 2017, Sri Siddheshwar Mahavidyalaya, Majalgaon, undertook a significant initiative as part of the Swachh Bharat Abhiyan by organizing a cleanliness drive in Majalgaon City. The event aimed to contribute to the national campaign for cleanliness and sanitation and promote community participation in maintaining a clean environment.

The cleanliness drive saw enthusiastic participation from students, teachers, and volunteers from Sri Siddheshwar Mahavidyalaya, along with members of the local community. The event commenced with a brief inauguration ceremony, where the importance of cleanliness and the objectives of the Swachh Bharat Abhiyan were reiterated.

Following the inauguration, participants were divided into teams and assigned specific areas within Majalgaon City for the cleaning activities. The drive encompassed various activities aimed at improving the cleanliness and hygiene standards of the city.

**Street Cleaning:** Teams of volunteers took to the streets of Majalgaon to sweep and collect litter, debris, and garbage from public areas such as roads, sidewalks, and parks. Emphasis was placed on proper waste segregation and disposal to ensure effective sanitation practices.

**Public Awareness Campaigns:** Concurrently, awareness campaigns were conducted to educate residents about the importance of cleanliness, waste management, and sanitation practices.

**Impact:** The collective efforts of students, teachers, volunteers, and community members during the cleanliness drive exemplified the spirit of collaboration and social responsibility in advancing the goals of the Swachh Bharat Abhiyan. The event served as a testament to the power of grassroots initiatives in bringing about positive change and creating cleaner, healthier, and more livable communities.

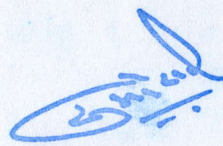

**Conclusion:** In conclusion, Sri Siddheshwar Mahavidyalaya, Majalgaon, remains committed to actively contributing to initiatives aimed at promoting cleanliness and sanitation, both within the college campus and in the broader community. The success of the cleanliness drive in Majalgaon City underscores the institution's dedication to fostering a culture of cleanliness and hygiene for the betterment of society.

### Tree plantation in adopted village of Manjrath

**Date:** 09/07/2018

**Department:** NSS

**Introduction:** On the 9th of July 2018, Sri Siddheshwar Mahavidyalaya, Majalgaon undertook a significant initiative by organizing a tree plantation event in the adopted village of Manjrath. This event was a part of the college's ongoing efforts towards environmental sustainability and community engagement.

**Event Details:** The tree plantation event commenced at 11:00 AM in the serene surroundings of Manjrath Village. Students, accompanied by dedicated teachers and staff members, gathered at the designated site with enthusiasm and zeal to contribute towards a greener tomorrow. The event aimed to not only plant trees but also to educate participants about the importance of environmental conservation.

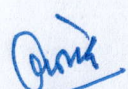

**Plantation Process:** Under the guidance of experienced environmentalists and faculty members, the participants were briefed about the significance of tree plantation in combating climate change, preserving biodiversity, and enhancing the quality of life. Following the informative session, everyone actively engaged in the plantation process, carefully planting saplings of indigenous tree species suited to the local ecosystem.

**Community Participation:** The event witnessed active participation from the residents of Manjrath Village, who welcomed the initiative with open arms. Their involvement not only amplified the impact of the plantation drive but also reflected a shared sense of responsibility towards nurturing the environment for future generations.

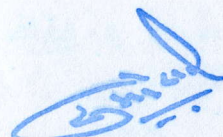

**Conclusion:** The tree plantation event in Manjrath Village served as a commendable effort towards fostering environmental consciousness and community engagement. The collective endeavor of students, teachers, and the local community exemplifies the spirit of cooperation and commitment towards building a greener and healthier environment.

### Sindhphana riverbed cleaning post Ganesh festival immersion

**Date:** 13/09/2019

**Department:** NSS

**Introduction:** Sri Siddheshwar Mahavidyalaya, Majalgaon, organized a riverbed cleaning drive post Ganesh festival immersion along the Sindhphana River. This initiative aimed to promote environmental sustainability and community involvement in maintaining the cleanliness of natural water bodies. The drive was executed with the active participation of National Service Scheme (NSS) volunteers and teachers from the institution.

#### Objectives:

- To clean up the Sindhphana Riverbed post the Ganesh festival immersion.
- To raise awareness about the importance of environmental conservation and cleanliness.
- To encourage community participation in maintaining the cleanliness of water bodies.
- To foster a sense of responsibility towards preserving the environment among NSS volunteers and students.

#### Activities:

##### Preparation Phase:

- Necessary permissions were obtained from local authorities to conduct the cleaning activity.
- NSS volunteers and teachers were briefed about safety measures and the importance of the initiative.

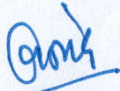

##### Execution Phase:

- On the designated day, all participants gathered at the designated spot near the Sindhphana River.
- Necessary cleaning equipment such as gloves, trash bags, and rakes were provided to the volunteers.
- The cleaning process commenced under the guidance of teachers and experienced volunteers.
- Participants worked collaboratively to collect and dispose of waste materials, including leftover decorations and idols from the riverbed.

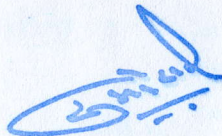

**Conclusion:** The riverbed cleaning drive organized by Sri Siddheshwar Mahavidyalaya, Majalgaon, in collaboration with NSS volunteers and teachers, was a commendable effort towards promoting environmental sustainability and community involvement. Such initiatives not only contribute to the cleanliness of natural water bodies but also instill a sense of responsibility and stewardship among individuals towards preserving the environment for future generations.

### **Seed Ball Preparation Initiative at Siddheshwar Mahavidyalaya, Majalgaon: A Collaborative Effort Towards Environmental Preservation**

**Date:** 22/07/2019

**Department:** Botany

**Introduction:** Sri Siddheshwar Mahavidyalaya, Majalgaon has embarked on a significant initiative aimed at environmental preservation. Recognizing the critical importance of reforestation and biodiversity conservation, students and teachers have come together to undertake the preparation of seed balls.

**Objective:** The primary objective of this initiative is to contribute to environmental preservation through reforestation efforts using seed balls. By encapsulating seeds within a protective layer of soil and clay, seed balls offer an effective and sustainable method for promoting plant growth in degraded or barren areas.

#### **Methodology:**

**Identification of Seed Species:** The first step involved the identification of native plant species suitable for the local ecosystem. This selection process was guided by environmental experts and botanists to ensure compatibility with the region's soil and climate conditions.

**Seed Collection:** Students and teachers engaged in the collection of seeds from indigenous plants found in and around Majalgaon. Emphasis was placed on gathering a diverse range of seeds to promote biodiversity.

**Preparation of Seed Balls:** The collected seeds were mixed with nutrient-rich soil and organic compost. The mixture was then shaped into small balls using clay as a binding agent. Each seed ball was carefully crafted to provide optimal protection and nutrients for germination.

**Drying and Storage:** After preparation, the seed balls were left to dry naturally. Once dried, they were stored in a cool, dry place to maintain their viability until distribution.

**Distribution and Planting:** The seed balls were distributed to volunteers and community members, who actively participated in planting them in designated areas identified for reforestation efforts. Planting events were organized to involve the broader community and raise awareness about the importance of environmental conservation.

#### **Outcomes and Impact:**

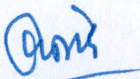

**Environmental Restoration:** Through the collective efforts of students and teachers, hundreds of seed balls were prepared and planted across various sites in Majalgaon. This initiative has contributed significantly to the restoration of degraded ecosystems and the promotion of native plant species.

**Community Engagement:** The seed ball preparation initiative has fostered a sense of community engagement and environmental stewardship among students, teachers, and local residents. It has served as a platform for collaboration and knowledge sharing, empowering individuals to take proactive steps towards environmental conservation.

**Conclusion:** The seed ball preparation initiative at Siddheshwar Mahavidyalaya, Majalgaon, exemplifies the power of collective action in addressing environmental challenges. Through collaboration, dedication, and a commitment to sustainability, students and teachers have made significant strides towards restoring and preserving the natural heritage of their region. As this initiative continues to grow, it will undoubtedly serve as a beacon of inspiration for future generations and a testament to the transformative potential of grassroots environmental activism.

## 'सीडबॉल' उपक्रमातून सिद्धेश्वरच्या विद्यार्थ्यांनी दिला पर्यावरण रक्षणाचा संदेश

माजलगाव (प्रतिनिधी) येथील भा.शि. प्र. संस्था अंबाजोगाई संचलित श्री सिद्धेश्वर महाविद्यालयाच्या विद्यार्थ्यांनी वृक्षलागवडीसाठी 'सीड बॉल' तयार करून अतिशय अभिनव उपक्रम राबविला आहे. वृक्षामुळे निसर्गचक्र संतुलित राहते. प्रत्येकानेच किमान एक झाड लावून त्याचे संवर्धन केले पाहिजे. ही येत्या काळाची गरज आहे. त्यामुळे तापमानवाढ, प्रदूषण, दुष्काळाला आळा बसेल हा दृष्टिकोन समोर ठेवून विद्यार्थ्यांनी काळी माती आणि गाडीने सोप्या साधनाने सीड बॉल

तयार केले आहेत. यांमध्ये कडुलिंब, चिंच, करंज, सीताफल इ. वृक्षांच्या विभागाकडून आलेल्या आहेत. या

'सीड बॉल' मध्ये अन्नद्रव्य साठवलेले असतात, त्यामुळे पाच ते सहा दिवस पाऊस पडला नाही

तरी त्यातील बीज जिवंत राहते आणि नंतर थोड्या पावसाच्या पाण्यात बीज अंकुरित होऊन त्याचे रोपटे जमिनीत रुजते. विद्यार्थ्यांनी तयार केलेले दोनशे सीडबॉल धारूर घाट, तेलगाव सहकारी साखर कारखाना परिसर येथे टाकले आहेत. या अभिनव उपक्रमासाठी विद्यार्थ्यांनी प्राचार्य डॉ. भालचंद्र कराड, उपप्राचार्य डॉ. रमेश गटकळ, डॉ. गजानन होत्रा, विभागप्रमुख डॉ. साधना घडसिंग, प्रा. उषा चिटपळे यांनी मार्गदर्शन केले आहे.

### Cleanliness drive at Godawari river brink as a part of Swachh Bharat Abhiyan

**Date:** 25/12/2019

**Department:** NSS

**Introduction:** On 25th December 2019, Sri Siddheshwar Mahavidyalaya, Majalgaon, organized a cleaning drive at the brink of the Godawari River as a part of the Swachh Bharat Abhiyan initiative. This initiative aimed to promote cleanliness and environmental consciousness among the local community and raise awareness about the importance of keeping our rivers clean.

#### Objectives:

To clean up the Godawari River brink to promote environmental hygiene.  
To raise awareness about the importance of cleanliness and environmental conservation.  
To engage NSS volunteers and teachers in community service activities.

#### Activities:

**Preparation and Planning:** Prior to the event, the NSS unit identified the areas along the Godawari River brink that required cleaning and devised a strategy for the cleanup drive.

**Mobilization of Volunteers:** NSS volunteers and teachers actively participated in mobilizing resources and volunteers for the event. They reached out to the local community and other stakeholders to garner support and participation.

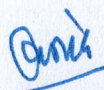

**Cleanup Drive:** On the designated day, volunteers gathered at the Manjrath area along the Godawari River. Equipped with gloves, trash bags, and other cleaning tools, they began the cleanup drive. Volunteers worked tirelessly to collect litter, plastic waste, and other debris from the river brink and its surroundings.

**Segregation and Disposal:** Collected waste was segregated into biodegradable and non-biodegradable categories. Biodegradable waste was set aside for composting, while non-biodegradable waste was properly disposed of in designated areas to ensure minimal environmental impact.

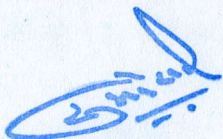

**Conclusion:** The cleaning drive of the Godawari River brink at Manjrath organized by Sri Siddheshwar Mahavidyalaya, Majalgaon, in collaboration with NSS volunteers and teachers, was a resounding success. Not only did it result in a cleaner environment, but it also fostered a sense of environmental responsibility and community engagement. Such initiatives are crucial in advancing the goals of the Swachh Bharat Abhiyan and promoting sustainable development.

**Number of students participated:** 24

**Number of teachers participated:** 10
