DEPARTMENT OF MATHEMATICS

REMEDIAL COURSE

Department arrange Remedial course for slow learners. This course helps to understand basic concepts and things in Mathematics.

Department had taken special activity for the B.Sc.F.Y. Students for various topics like Limits, Derivatives, Integrations, Theory of Equations, Differential Calculus, Hyperbolic functions, Integral Calculus, Vector Calculus, and Ordinary Differential Equations. Response for this course is very excellent.

Dr. Rathod P. M.
(Dept. of Maths)

Syllabus

DATE

- Continuity

continuity of a function; discontinuity of a function; Algebra of continuous function; continuity in an interval; continuity on a domain.

- Differentiation

Relationship between continuity and differentiability; Derivative of inverse functions; logarithmic differentiation; Higher order derivatives.

Integration

Integration by substitution; some special integrals; Integration by parts; Integration by partial fractions.

Differential Equations

Ordinary Differential Equation; order and degree of a differential equation; solution of a diff. equation; solution of first order & first degree equation; homogeneous diff. eqn; linear diff. eqn.

Matrices

Elementary transformations; Inverse of a matrix; application of matrices; Method of inversion; Method of reduction.

Circle

Tangent at a point; condition of tangency; length of tangent; Normal to the circle.
