Report

One Day Workshop on Innovations and Entrepreneurship in Chemistry

(IEC-2018) -Date: 30/07/2018

Objectives:

- To provide them with deeper understanding of start-ups and their complexities
- To educate students about how innovation helps entrepreneurs to fight and sustain competition.
- To highlight importance of Innovation and Entrepreneurship.

The workshop started with Inaugural ceremony by the auspicious hands of Principal Dr. Sanjay Shirodkar, Swa. Sawarkar Mahavidyalaya, Beed. and Shri. Nandakumarji Bhutada, President, college committee.

Dr. V.V. Borgaonkar, given the Introductory Speech for this Workshop. In his introductory speech he explained the objectives of this workshop.

In the internal sessions Dr. S. B. Gaikwad, Dept. of Chemistry, Siddheshwar Mahavidyalaya Mahavidyalaya, Majalgaon talked about the need of innovation in Entrepreneurship. He elaborates that it is required to Solve complex business problems, Increases productivity, reduce the cost, to save the environment. He also correlate it to science and technology.

He also focused on how one should change himself or herself with changing situations and should adopt new methods for survival and progress.

Lastly Asst. Prof. Sanjay Pawar put vote of thanks. For this workshop students of Chemistry Department were present.

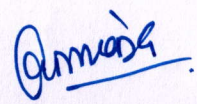

Learning Outcomes:

By the end of the programme, students became able to:

- Critical thinking.
- Considering technology as a driving factor.
- Improves their skills

One Day Workshop on Innovations and Entrepreneurship in History

(IEH-2018)-Date: 28/07/2018

On behalf of the Department of History, organized a one-day workshop on Invention and Entrepreneurship, This workshop was inaugurated by Dr. suhas Gopanehoddept of History, Hambarde college Ashti. The college development committee presendentshriNandkishoreBhutda was president of this workshop. Also on this occasion Head of Department of History Dr. G.P. Phasale, Principal V.P. Deshmukh was present. Dr. SuhasGopane, in his speech, discussed about Invention and entrepreneurship. Invention is very important in any industry. Without Invention, the industry cannot survive. Invention is related to research. Without research, there will be no new discoveries. Invention and entrepreneurship are closely related. Any goods or services become outdated after a certain period of time after its creation. Consumers constantly need new products. This requires Invention. Dr. Gopane also said that on one hand the population is increasing so the government is able to provide jobs. Therefore, students should develop their own ideas and create various industries and Tourism. On the basis of industry, we should become self-sufficient and provide employment to others should become self-sufficient and provide employment to others.

In the conclusion, President NandkishoreBhutada while presenting his thoughts said that the students should look at the identity of their region and turn to the production of goods so that no one will have to leave their town. Also the problem of urbanization will not arise. Dr. Phasale G.P. thanked the program.

Report

Innovations and Entrepreneurship in Political Science (IEP-2018)

On behalf of the Department of Pub-Admn, organized a one-day workshop on Invention and Entrepreneurship, this workshop was inaugurated by Dr. Kakashaheb Pokale Board of Study of Dr. Babasaheb Ambedkar Marathwada University Aurangabad. The college development committee president Shri Nandkishore Bhutada was president of this workshop. Also on this occasion Head of Department of Political Science, Baga J. S. Principal Vinayak Pundalik Deshmukh was present.

Dr. Kakashaheb Pokale, in his speech, discussed about Invention and entrepreneurship. Invention is very important in any industry. Without Invention, the industry cannot survive. Invention is related to research. Without research, there will be no new discoveries. Invention and entrepreneurship are closely related. Any goods or services become outdated after a certain period of time after its creation. Consumers instantly need new products. This requires Invention. Dr. Pokale also said that on one hand the population is increasing so the government is able to provide jobs. Therefore, students should develop their own ideas and create various industries. On the basis of industry, we should become self-sufficient and provide employment to others should become self-sufficient and provide employment to others. In the conclusion, President Nandkishore Bhutada while presenting his thoughts said that the students should look at the identity of their region and turn to the production of goods so that no one will have to leave their town. Also the problem of urbanization will not arise. Dagal J.S. Vote of thanks the program Head of Department Pub-Admn

Report

One Day Workshop on

Innovation and Entrepreneurship in Commerce

On behalf of the Department of Commerce, organized a one-day workshop on **Innovation and Entrepreneurship in Commerce**. This workshop was inaugurated by Dr. Suhas Gopane, The college development committee president shri Nandkishorji Bhutada was president of this workshop. Also on this occasion Head of Department of Commerce. Hoke A.K., Principal Dr. Mahesh Prabhakar Deshmukh was present.

Dr. Suhas Gopane in his speech, Innovation is the process of creating something new. Entrepreneurship: Entrepreneurship identifies the opportunities in great innovations and creates opportunity, adds value, and keeps the value improving over a period of time

Innovation and entrepreneurship are two different concepts having entirely different meanings. However, there is a striking relationship between innovation and entrepreneurship which sometimes causes confusion. The main difference between innovation and entrepreneurship is that innovation involves introducing something new. This can be a new business model, product, idea, or service. On the other hand, entrepreneurship involves turning a great idea in a business opportunity.

President Nandkishorji Bhutada in his speech, **Innovation entrepreneurship** enhances the creativity, nature, and design thinking process of an organization. A new brand can attain a desirable height by tapping into the creativity of employees. Entrepreneurship innovation can open the doors of various opportunities by helping the business keep up with current market demands and trends.

Report
One Day Workshop on
“Research Methodologies in Mathematics”
(RMM-2018) on Date: 27/07/2018

Venue: Hall No F-13

Time: 11:00 am

One Day Workshop on **“Research Methodologies in Mathematics” (RMM-2018)** was organized by Department of Mathematics on Dt. 27 July 2018.

The objectives of this workshop were

- ❖ To develop knowledge on the fundamentals of research
- ❖ To build knowledge on research design, application & data analysis
- ❖ To develop skills for synopsis/thesis development & academic writing

The workshop was conducted free of cost for the students.

The workshop was inaugurated by Prof. M. A. Joshi, Science College, Nanded. Dr. Parmeshwar Khetri was the resource person and Dr. Vinayak Deshmukh, Principal was the President for this workshop. Dr. S. R. Mitkari was the anchor of this workshop.

Prof. M. A. Joshi gave the inaugural speech. In his speech he advised students to take benefit of this workshop. He also told the need of this topic to all the students taking UG education. He also explained that Research methodology is a way of explaining how a researcher intends to carry out their research. It's a logical, systematic plan to resolve a research problem. A methodology details a researcher's approach to the research to ensure reliable, valid results that address their aims and objectives. It encompasses what data they're going to collect and where from, as well as how it's being collected and analyzed.

Resource Person Dr. Parmeshwar Khetri told what research process is. Importance of research methodology to UG students. He told different components and steps of research methodology. He explained this topic by explaining the different suitable examples. He also told that the research method is defined as the procedure or technique applied by the researcher to undertake research. On the other hand, research methodology is a system of methods, used scientifically for solving the research problem.

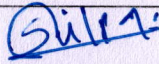

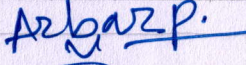

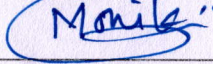

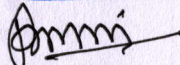

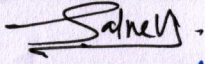

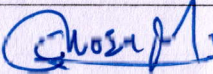

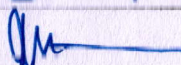

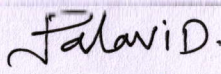

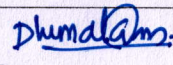

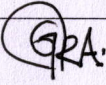

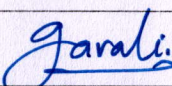

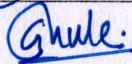

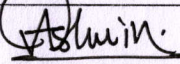

In Presidential address Principal Dr. Vinayak Deshmukh told the students should select a qualitative research methodology because: It uses an inductive and subjective approach. Furthermore, it adopts an open and flexible approach. Qualitative research builds theories.

Lastly QA session was taken. In this different Questions were asked by participated students. Dr. P. M. Rathod put vote of thanks for this workshop.

Report

One Day Workshop on “Innovations and Entrepreneurship in Marathi (IEM-2018)”

Date: 29/07/2018

Objectives:

- To provide them with deeper understanding of start-ups and their complexities
- To educate students about how innovation helps entrepreneurs to fight and sustain competition.
- To highlight importance of Innovation and Entrepreneurship.

The workshop started with felicitation ceremony Dr.R.V.Gatkal, HOD, presented to Dr.Balasaheb Paralkar Dept. of Marathi, Shri Siddheshwar Mahavidyalaya, Majalgaon as a cloth napkin buckets for welcoming gesture.

Dr. V. P. Deshmukh, Principal given the Introductory Speech for this Workshop. In his introductory speech he explained the ideology of this workshop.

Dr.Balasaheb Paralkar Dept. of Marathi, Shri Siddheshwar Mahavidyalaya, Majalgaon talked about how Innovation is important in entrepreneurship in Marathi, Marathi and English. According to him in the highly competitive world, innovative ideas are what will separate you from the rest. In order to create an outstanding product, strong brand and to build customer network, one need to innovate. He explained to the students that Innovation doesn't always mean to create something new, innovators often take something that already exists, improve it, change it, make it better and make it the best for their customers. Innovative ideas are what will make a startup competitive.

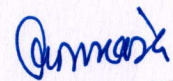

He also focused on how innovation is a facilitator of entrepreneurship and a way of empowering people to take charge of their lives and economic prosperity in Marathi.

At the same time Dr.Balasaheb Paralkar also interacted with students highlighting how entrepreneurship is the answer to innovation both at individual business-level.

Lastly Dr.D.K.Gavate put vote of thanks. For this workshop students of Marathi were present.

Learning Outcome:

The workshop highlighted the importance of innovation in entrepreneurship its value in Marathi for the longevity of a business. The workshop also emphasized on the opportunity to innovate to make the lives more comfortable and the solutions that can be evolved to make it better, easier and more useful. Entrepreneurs must keep themselves abreast with the current trends and demands. Manufacturers are constantly innovating to produce more without sacrificing the quality.

Report

One Day Workshop on "Research Methodologies in English (RME-2018)"

Date: 18 Jan 2018

One Day Workshop on "Research Methodologies in English" (RME-2018) was organized by Department of English Dt. 18 January 2018.

The objectives of this workshop were

- To develop knowledge on the fundamentals of research.
- To build knowledge on research design, application & data analysis.
- To develop skills for synopsis/thesis development & academic writing.
- The workshop was conducted free of cost for the all students.

The workshop was inaugurated by Dr.S.L.Muneshwar Peoples College, Nanded. Dr. B.R.Nale was the resource person and Dr. Vinayak Deshmukh, Principal was the President for this workshop. Mr.G.B.Ushamwar was the anchor of this workshop.

Dr.S.L.Muneshwar delivered in the inaugural speech. In his speech he suggested to students you should take benefit of this workshop. He also told the need of this topic to all the students taking UG education. He also explained that Research methodology is a way of explaining how a researcher intends to carry out their research. It's a logical, systematic plan to resolve a research problem. A methodology details a researcher's approach to the research to ensure reliable, valid results that address their aims and objectives. It encompasses what data they're going to collect and where from, as well as how it's being collected and analyzed. He also clarified the doubts of the students.

Resource Person Dr.Shrimant Tonde explains what research process is. Importance of research methodology to UG students. He told different components and steps of research methodology. He explained this topic by explaining the different suitable examples. He also told that the research method is defined as the procedure or technique applied by the researcher to undertake research. On the other hand, research methodology is a system of methods, used scientifically for solving the research problem.

In Presidential address Principal Dr.Vinayak Deshmukh told the students should select a qualitative research methodology because it uses an inductive and subjective approach. Furthermore, it adopts an open and flexible approach. qualitative research builds theories.

Lastly open forum was taken. In this open forum different questions were asked by participated students. Ku.Shakuntla Aage put vote of thanks for this workshop.

One Day Workshop on

Innovations and Entrepreneurship in Sociology (IES-2018)

On behalf of the Department of Sociology, organized a one-day workshop on Invention and Entrepreneurship, this workshop was inaugurated by Dr.Kakashaheb Pokale Board of Study of Dr.Babasaheb Ambedkar Marathwada University Aurangabad. The college development committee president Shri Nandkishore Bhutada was president of this workshop. Also on this occasion Principal Vinayak Deshmukh & Resource person Dr. Mokasare G.T. was present.

Dr.Kakashaheb Pokale, in his speech, discussed about Invention and entrepreneurship. Invention is very important in any industry. Without Invention, the industry cannot survive. Invention is related to research. Without research, there will be no new discoveries. Invention and entrepreneurship are closely related. Any goods or services become outdated after a certain period of time after its creation. Consumers constantly need new products. This requires Invention. Dr. Pokale also said that on one hand the population is increasing so the government is able to provide jobs. Therefore, students should develop their own ideas and create various industries. On the basis of industry, we should become self-sufficient and provide employment to others should become self-sufficient and provide employment to others. In the conclusion, President Nandkishore Bhutada while presenting his thoughts said that the students should look at the identity of their region and turn to the production of goods so that no one will have to leave their town. Also the problem of urbanization will not arise. Dr.S. H. Patil Vote of thanks the program Head of Department Pub-Admn.

Report

One Day Workshop on Innovations and Entrepreneurship in English

(IEE-2018) Date: 29 July 2018

Objectives of the Workshop:

1. To Practice to the students of establishing creating new business ideas to generate profit.
2. To provide students with deeper understanding of start- ups and their complexities.
3. To Help to student's innovations and individual Entrepreneurship or group Entrepreneurship.
4. To educate students about how innovation helps entrepreneurs to fight and sustain competition.
5. To highlight importance of Innovation and Entrepreneurship.

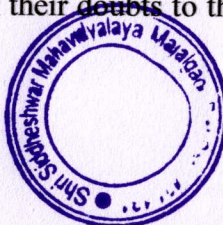

This workshop arranged by the collaboration of English language. After completing the registration of the students, the inauguration function begins with the presence of Inaugurator: Prof. Dr. Vivek Miragane, Chief Guest Dr. Satapa Chavan and President Nandkishorji Bhutada and Principal Dr. V. P. Deshmukh. After felicitation ceremony Dr. V. P. Deshmukh, Principal given the Introductory Speech of this Workshop. He explained the ideology and importance of this workshop with various examples and urges to the students to create innovation to develop Entrepreneurship.

Prof. Dr. Vivek Mirgane Principal, and Head Department of English Bankatswami Mahavidyalaya, Beed talked about how Innovation is important in entrepreneurship in English language. He addressed to the students that in the highly competitive world, innovative ideas are that will separate you from the others. In order to create an outstanding product, strong brand and to build customer network, one need to innovate. He explained to the students that Innovation doesn't always mean to create something new, innovators often take something that already exists, improve it, change it, make it better and make it the best for their customers. Innovative ideas are that will make you stand in this competitive world.

He also focused on how innovation is a facilitate to improve entrepreneurship and a way of empowering people to take change their lives and economic prosperity in English language. At the same time, he also interacted with students highlighting how entrepreneurship is the answer to innovation at individual business-level to progress in it.

Dr. K. K. Ladda proposed vote of thanks of this workshop, teachers, students of English language were present in it.

In another three sessions Prof. Sameer Muli, Prof. Dr. Rajaram Jadhav and Prof. Babasaheb Paralkar delivered their speech on the Innovations and Entrepreneurship, with definitions and functions, positive thoughts and various aspects and angles to progress in this field. Students were presented listened carefully and ask their doubts to these speakers. This work was arranged by the department English.

Learning Outcome:

The workshop highlighted the importance of innovation in entrepreneurship its value in English language for the longevity of a business. The workshop also emphasized on the opportunity to innovate to make the lives more comfortable and the solutions that can be evolved to make it better, easier and more useful. Entrepreneurs must keep themselves abreast with the current trends and demands. Manufacturers are constantly innovating to produce more without sacrificing the quality.

Report

One Day Workshop on Innovations and Entrepreneurship in Public Administration (IESPA-2018)

On behalf of the Department of Pub-Admn, organized a one-day workshop on Invention and Entrepreneurship, this workshop was inaugurated by Dr. Kakashaheb Pokale Board of Study of Dr. Babasaheb Ambedkar Marathwada University Aurangabad. The college development committee president Shri Nandkishore Bhutada was president of this workshop. Also on this occasion Head of Department of Public Administration, Dr. Sunil H Patil Principal Vinayak Pundalik Deshmukh was present.

Dr. Kakashaheb Pokale, in his speech, discussed about Invention and entrepreneurship. Invention is very important in any industry. Without Invention, the industry cannot survive. Invention is related to research. Without research, there will be no new discoveries. Invention and entrepreneurship are closely related. Any goods or services become outdated after a certain period of time after its creation. Consumers constantly need new products. This requires Invention. Dr. Pokale also said that on one hand the population is increasing so the government is able to provide jobs. Therefore, students should develop their own ideas and create various industries. On the basis of industry, we should become self-sufficient and provide employment to others should become self-sufficient and provide employment to others. In the conclusion, President Nandkishore Bhutada while presenting his thoughts said that the students should look at the identity of their region and turn to the production of goods so that no one will have to leave their town. Also the problem of urbanization will not arise. Dr. S. H. Patil Vote of thanks the program Head of Department Pub-Admn.

Report

**Department of Economics Organized,
One Day Workshop on
Innovations and Entrepreneurship in Economics
(IEE-2018)-Date:28/07/2018**

A workshop on Innovation and Entrepreneurship was organized by the Department of Economics. Dr. Mahesh P.Deshmukh, Head of Department of Economics, Shri Siddheshwar College Majalgaon, guided to student on the subject of Innovation & Entrepreneurship. While giving guidance, he said that research, innovation and entrepreneurship are intertwined. Innovation is not possible without research. And entrepreneurship is not possible without innovation. Innovation can be done in different ways, like by changing the size of the product by changing the colour and by changing the packaging of the product by advertising etc. Consumers constantly need new products. Also they are proud that I have something different from others. So they want something new. Also the goods created by the entrepreneurs eventually come in the market similar to those goods. Therefore, entrepreneurs have less customer base. Entrepreneurs need innovation to grow and retain a customer base. Today's innovation is tomorrow's obsolescence. If you want an example of innovation, you can look at the shape of the watch, the changing shape of the mobile phone, the changes in the two-wheeler and the three-wheeler. Also in this and the workshop he said that students should turn to industry and focus on how to make India self-reliant. Everyone has a different intelligence. Nature has given everyone a different skill. We should use this wisdom and this skill to succeed in our life. Dr. V.P.Deshmukh, Principal who presided over the program guided the students in his presidential conclusion. He said that more and more students should turn to industry. The government is helping start-ups a lot. Everyone should take advantage of it. The number of employees is decreasing day by day. So we should turn to industry. Dr. Phasale sir thanked the program.

Report

One Day Workshop on “Innovations and Entrepreneurship in Hindi (IEH-2018)”

Date: 29/07/2018

Objectives:

- To provide them with deeper understanding of start- ups and their complexities
- To educate students about how innovation helps entrepreneurs to fight and sustain competition.
- To highlight importance of Innovation and Entrepreneurship.

The workshop started with felicitation ceremony when Mr. Yuvraj Mulye, HOD, presented to Dr. R.B.Jadhav Dept. of Hindi, Shri Siddheshwar Mahavidyalaya, Majalgaon as a cloth napkin buckets for welcoming gesture.

Dr. V. P. Deshmukh, Principal given the Introductory Speech for this Workshop. In his introductory speech he explained the ideology of this workshop.

Dr. R.B.Jadhav, Dept. of Hindi, Shri Siddheshwar Mahavidyalaya, Majalgaon talked about how Innovation is important in entrepreneurship in Hindi, Marathi and English. According to him in the highly competitive world, innovative ideas are what will separate you from the rest. In order to create an outstanding product, strong brand and to build customer network, one need to innovate. He explained to the students that Innovation doesn't always mean to create something new, innovators often take something that already exists, improve it, change it, make it better and make it the best for their customers. Innovative ideas are what will make a startup competitive.

He also focused on how innovation is a facilitate or of entrepreneurship and a way of empowering people to take charge of their lives and economic prosperity in Hindi.

At the same time, Dr. R.B.Jadhav, also interacted with students highlighting how entrepreneurship is the answer to innovation both at individual business-level.

Lastly Mr. G. B. Ushamwar put vote of thanks. For this workshop students of Hindi were present.

Learning Outcome:

The workshop highlighted the importance of innovation in entrepreneurship its value in Hindi for the longevity of a business. The workshop also emphasized on the opportunity to innovate to make the lives more comfortable and the solutions that can be evolved to make it better, easier and more useful. Entrepreneurs must keep themselves abreast with the current trends and demands. Manufacturers are constantly innovating to produce more without sacrificing the quality.

**One Day Workshop on
Research Methodologies in Physics**

(RMP-2018) Date: 27/07/2018

Dr. V. P. Deshmukh, Principal giving Introductory Speech

Mr. Nitin Chamale addressing to students.

Prof. M. A. Joshi Sir addressing to students for Workshop

Report
One Day Workshop on
“Research Methodologies in Physics”
(RMPMC-2018) on Date: 27/07/2018

Venue: Hall No F-13

Time: 11:00 am

One Day Workshop on **“Research Methodologies in Physics” (RMP-2018)** was organized by Department of Physics on Dt. 27 July 2018.

The objectives of this workshop were

- ❖ To develop knowledge on the fundamentals of research
- ❖ To build knowledge on research design, application & data analysis
- ❖ To develop skills for synopsis/thesis development & academic writing

The workshop was conducted free of cost for the students.

The workshop was inaugurated by Prof. M. A. Joshi, Science College, Nanded. Mr. Nitin Chamale was the resource person and Dr. Vinayak Deshmukh, Principal was the President for this workshop. Dr. S. R. Mitkari was the anchor of this workshop.

Prof. M. A. Joshi gave the inaugural speech. In his speech he advised students to take benefit of this workshop. He also told the need of this topic to all the students taking UG education. He also explained that Research methodology is a way of explaining how a researcher intends to carry out their research. It's a logical, systematic plan to resolve a research problem. A methodology details a researcher's approach to the research to ensure reliable, valid results that address their aims and objectives. It encompasses what data they're going to collect and where from, as well as how it's being collected and analyzed.

Resource Person Mr. Nitin Chamale told what research process is. Importance of research methodology to UG students. He told different components and steps of research methodology. He explained this topic by explaining the different suitable examples. He also told that the research method is defined as the procedure or technique applied by the researcher to undertake research. On the other hand, research methodology is a system of methods, used scientifically for solving the research problem.

In Presidential address Principal Dr. Vinayak Deshmukh told the students should select a qualitative research methodology because: It uses an inductive and subjective approach. Furthermore, it adopts an open and flexible approach. Qualitative research builds theories.

Lastly QA session was taken. In this different Questions were asked by participated students. Dr. C. S. Kodarkar put vote of thanks for this workshop.

Report

One Day Workshop on Intellectual Property Rights (IPR) Dt.28/12/2018

Venue: Hall G-18

Time: 01:00 pm

Objectives:

- ❖ Define intellectual property rights
- ❖ Delineate the concept of intellectual property and property rights
- ❖ Explain the concept and significance of intellectual property rights
- ❖ Discuss the different types of intellectual property rights
- ❖ Describe the issues and agenda of the intellectual property rights

Research Cell and IQAC Dept. have organized One Day Workshop on Intellectual Property Right (IPR) on Dt.28/12/2018. For this Dr. Gajanan Honna, Vice Principal was the President where as Shri S. M. Bansode, Librarian was the Resource Person for this workshop.

In this session, Resource Person Shri S. M. Bansode gave a complete introduction on intellectual properties, intellectual property laws & their clauses. In this session, the students were taught about the Intellectual Property Rights & their principles. Also the students were given enough information about how to use this knowledge. Also they have been taught how to use intellectual property laws in case of injustice and the legal options available in Indian judicial system.

He also gave complete information on intellectual properties like patent, copyright, trademark, design, trade secret etc was given. Also the speaker explained the difference between these topics, also the validity for each right, judicial laws available under each right & the limitations of each right.

This workshop as concluded by Dr. Gajanan Honna by addressing an activity to come up with an innovative idea, solution & presentation for the given problem statements. Also the students were needed to inculcate how the students can use the above taught intellectual property rights, claim the benefits & get security in their startups.

The Workshop was highly informative to students. Lastly QA session was conducted, in which students actively participated.
